

Baggage: size and weight restrictions - Emirates

Emirates

Check with Emirates Airlines what type of carry-on baggage you can carry on to the plane. Remember, every person individually determines their own size of their carry-on baggage. If it's possible, choose a soft backpack instead of a stiff suitcase. It will be easier to adjust it to the requirements

Also, the baggage that is sent to the cargo must meet certain requirements. Check with Emirates Airlines for the guidelines regarding the size and weight of your baggage. The number of baggage depends on the class or rate in which you are traveling in.

Emirates Carry-On Baggage

Baggage is included in the ticket price	Maximum Size	Maximum weight and number of bags		
		Economy	Business	First
Yes	55 x 38 x 20 cm	1x7 kg	2x7 kg*	

* your second carry-on baggage can have the maximum size of 45 x 35 x 20 cm.

Passengers boarding the Emirates aircraft in India may only take one carry-on bag with maximum dimensions of 115cm (height + width + length). Passengers flying out from Brazil airport can have a carry-on baggage with a maximum weight of 10 kg.

Attention! The dimensions for your carry-on baggage includes the elements that hang out such as handles, wheels, etc.

Emirates Checked-In Baggage

	Economical Class				Business class	First Class
	Special Rate	Saver Rate	Flex Rate	Flex Plus Rate		
Maximum dimensions for checked baggage	150 cm (Height + Width + Length)
